Dateline : Memphis, TN

Mike Goodman, owner/operator of the GOODMAN RANCH, located near Henderson, TN, announced today that world renown longbow archer BYRON FERGUSON has chosen the GOODMAN RANCH as the site for his first ever BARE BOW SHOOTING SCHOOL.

"We pride ourselves as a world class destination for trophy Axis, Fallow and Whitetail, it's just a natural fit for Byron and the Goodman Ranch to join for this world class event" Goodman said.

Byron Ferguson noted: "I've been asked for years to hold such a school, but I never had a facility I care to be associated with until now.

"The Goodman Ranch is almost 1,000 acres of beautiful rolling hardwood covered hills for us to roam, a private lake that even I can catch fish in, and most important for the school is a great meeting facility complete with lodging and food" Ferguson added.
